The diagram illustrates a mapping or inheritance relationship. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'getIntPropServiceParameterData' and the bottom box contains 'setIntPropServiceParameterData'. On the right, there is a single gray rectangular box with a black border containing the text 'getPresssureZoneServiceData' on the top line and 'Address' on the bottom line. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both methods on the left are associated with or point to the method on the right.
