

start_longpress_timer

```
graph LR; A[start_longpress_timer] --> B[longpress_callback];
```

A diagram showing a call from the function `start_longpress_timer` to the function `longpress_callback`. The first box is white with a black border, and the second box is gray with a black border. A blue arrow points from the right side of the first box to the left side of the second box.

longpress_callback
