

blinking\_red

```
graph LR; A[blinking_red] --> B[I2C_LED_ON_OFF]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'blinking\_red'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'I2C\_LED\_ON\_OFF'.

I2C\_LED\_ON\_OFF
