

GUI/Screens/diag\_valve  
\_about\_screen.c

AppGlobal.h

../Header/API\_Header  
/AppDataInterface.h

```
graph TD; A[GUI/Screens/diag_valve_about_screen.c] --> B[AppGlobal.h]; A --> C[../Header/API_Header/AppDataInterface.h];
```

The diagram illustrates the dependencies of the source file `GUI/Screens/diag_valve_about_screen.c`. Two blue arrows originate from the bottom of the top box and point to the two boxes below it, indicating that the source file includes or depends on `AppGlobal.h` and `../Header/API_Header/AppDataInterface.h`.
